GUIDELINES

Consultation: 15-30 minute phone review of the music information sheet with DJ. No later than one week prior.

Requested Music Information: Please be as accurate as possible on titles and artists of requested music. The DJ will do their best to get any special songs you request. Should we be unable to meet a request, we will inform you as far in advance as possible so you can give us the music file or choose a different selection. Please Note: All songs requested will be played as time allows. Some songs may be played while the Bride & Groom are not in the room or are busy mingling and not able to pay attention to the music. It is best to put your top (10) ten requested songs down first and then to add other options or styles of music (i.e. Top 40, Hip Hop, Jazz etc.) you would like to hear. The top 10 songs will be played intermittently throughout your event. We will try to incorporate the other requests as time permits. Please make sure to discuss any and all specifics regarding your requested music selections, including your "DO NOT PLAY" list, with your DJ.
